## MARION CHAMBER SPONSORING TECHNOLOGY WORKSHOP

**Marion Online**  
**Wednesday, June 2, 2010**

MARION - The Marion Area Chamber of Commerce in cooperation with the Manufacturing and Technology Small Business Development Center at Braintree and TechSolve will have a lean simulation workshop geared toward the small manufacturer from 8 a.m. to 5 p.m. June 18 at the Chamber, 205 W. Center St.

The workshop will be taught by TechSolve's team including Sue Via, senior project manager with experience in manufacturing including automotive, health care and wood product industries, and Alex Jones, project specialist in manufacturing and processing industries, a news release states. Both instructors are experienced lean manufacturing trainers.

In a simulated manufacturing setting, participants will experience lean concepts they can implement into their own organization.

Normal fee for the workshop is \$200. With this joint sponsorship the charge for the event will be \$10 per person, which includes a box lunch. Participation is limited to three from any one manufacturer.

Space is limited. RSVP to Ken Cline at 419-525-1614 or [kcline@braintreepartners.org](mailto:kcline@braintreepartners.org) by June 14.
