The Best Practices of Family Businesses (and How to Avoid a Family Feud)

Presented by Larry Grypp, President, Goering Center for Family and Private Business, University of Cincinnati

What does twenty years of research and active support of family-owned businesses conclude? There are best practices, both business and family factors, that can dramatically increase the odds of success, growth, and longevity of family and private companies. Take advantage of the lessons learned by others. Join this collaborative forum designed to enlighten, strengthen, and prolong family business success.
